Events

WELCOME

Welcome to Easter Road Stadium, the home of Hibernian Football Club.

Easter Road is one of Scotland's most famous sporting venues, with an all-seated capacity in excess of 20,000. It has seen sporting triumph and disappointment, continuity and change, much of it in the glare of television beamed around the world. Imbued with the emotion that only sport engenders, it is an inspirational space.

That sense of something different, something aspirational, has led a number of different people, companies and organisations to work with our talented Club staff in using the stadium as a venue and backdrop for a whole range of events – from conferences and product launches to meetings, educational classes and even parties and weddings.

Our investment in our facilities and infrastructure means our stadium is there to be used and enjoyed seven days a week, not just on a match day. We have a wide variety of suites and rooms available, and a talented and committed in-house hospitality team to ensure your demands are met.

Hibernian is proud of its place at the core of our community. We continue to work with a wide range of partners to ensure that we harness the undoubted power and allure of football to provide positive social outcomes.

Whether you need a room for a small meeting or facilities for a large conference we will be happy to welcome you to our home. We trust you will enjoy your time with us, and with your continued support we will ensure that Easter Road remains a strong part of our landscape for many years to come.

Yours sincerely,

A handwritten signature in black ink, reading "Leeann Dempster". The signature is fluid and cursive, with the first name "Leeann" and the last name "Dempster" clearly distinguishable.

The whole night was planned to perfection, and it allowed my family, friends and myself to enjoy the night in the excellent facility. As a Hibby, it was great, but as a customer it was brilliant. Thanks to the staff who ensured it was a wonderful night."

We can't thank the staff at Easter Road Stadium enough. Our wedding went so smoothly, the meal was fantastic & the buffet was so good. From the moment we came to book the venue to the moment we left in the early hours of the morning we were looked after, every single person played their part, one great team effort. I would recommend Easter Road Stadium for a venue without hesitation.

'In November of last year, our father sadly passed away. He was a big Hibs fan so it made perfect sense to have his Funeral Tea at the stadium. We contacted the club and dealt with the events team regarding the arrangements. They were tremendous and could not do enough for us during this very emotional time for our family. Indeed Leeann Dempster even took time out of her busy schedule to speak with us and our mother at the tea.
